Dear Parent / Guardian,

Thank you for your interest for brass lessons. This letter contains further information about lessons.

I am an accredited brass teacher with the Derbyshire Music Partnership and I am able to offer lessons for:

| | |
|------------|-----------|
| Trumpet | Euphonium |
| Cornet | Baritone |
| Tenor Horn | Trombone |

Lessons are available within school time for 30, 20 or 15 minutes. It is possible to share in groups of up to 3, but this depends on other interest. If lessons are shared, the cost will be divided equally between pupils.

Prices are:

30 minutes - £15

20 minutes - £10

15 minutes - £7.50

If you are in receipt of Free School Meals, Income Support, Income based Job Seeker's Allowance and/or Working Tax Credit you are eligible to apply for the Assisted Bursary Scheme to help with cost of lessons. This is also available for carers applying on behalf of a Looked After Child. For more information and to apply for this go to derbyshiremusicclub.org.uk/assistedbursary

I aim to teach 30 lessons throughout the school year and lessons are charged in advance at the beginning of each half term. Payment is required for lessons to commence. A contract will also be issued prior to lessons starting.

Music and instrument will be needed. Instruments can be hired through the Derbyshire Music Partnership for £30, or I can advise on buying.

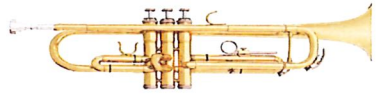

Music will also need to be bought and I can advise this at a later date.

There will be opportunities to take part in musical activities in and also out of school, and again I can advise on this too.

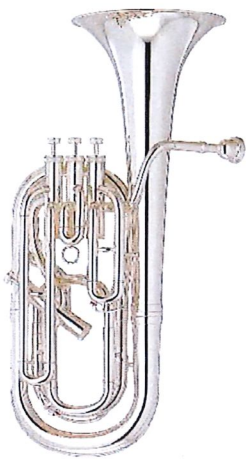

If you are interested in lessons, please contact me at cb.charlotteburton@googlemail.com

I look forward to hearing from you!
