By the wayIf any parent/ Carer or help organise a Cake Stall in Spring 2021

Grandparent would like to please let me know.

We could do with some more volunteers :-

To lead a Parent or Teacher Fundraising Working Group, all you need is:-

* An idea to raise funds, get your friends together and carry out your activity agreed by the committee and

complete your Fund-raising idea. This way that group has control in what they want to achieve.

The committee will guide you through the legalities and financial organisation alongside communicating via the correct channels.

Please ask at the School office if you are interested and give your details where we can contact you.

Just to let you know the McMillan event was a great Success – thank you for Supporting.

And to finish I know some Parents must be thinking if we are going to be supporting each school funding for a Project to help build those memories for our children? – The Answer is YES and I hope to be able to explain more in Term 3 ready for the Spring!

I hope your children enjoy their dress up day today and tomorrow,

Stay Safe and Best Regards
