Dear Parents

How much did we raise?

Firstly I would like to thank everyone who supported us and came along last Saturday to the Open Garden Festival. It was dreadful weather but yet still wonderful support from our parents.

Thank you to everyone who donated prizes & wine!!!!

Thank you to all of you wonderful bakers – once again we were so well supported. they looked delicious!!! - some of you need to enter the Great British Bake Off !!

Heads up – next cake stall will be september 21!

A special thank you to our sponsors on day – Morrisons supermarket provided our bread rolls for the BBQ thank you to Lucy and 'The Loaf' in our village donated all the scones for our street cafe stall thank you to Jeff.

Last, but by no means least thank you to those really special people who offered their time to work with us on the day – you really worked your socks off to make the day a success and I am personally very grateful.

Finally thank you to our wonderful PTFA Committee – I say wonderful because they simply are!!! Everyone worked so hard last week and prior to that actually, to make this event happen. We received some fabulous comments on how lovely and professional it looked. Emma – you are a complete star and thank you for leaving your work to help me last week, Cheryl and Clare wonderful bottle wrapping and Cheryl for organising the floats too.

We have a fantastic yet small team so therefore help was very much appreciated on the day especially to husbands included (better get that one in!)

We understand that so many of us have jobs or / and busy lives and we actually all do but we need more volunteers to join our team to ensure that events like this can continue to go ahead and raise precious funding for our schools. The phrase 'many hands make light work' spring to mind.

We therefore would love to invite some more people who can join us on our PTFA committee.

please text me direct if you are interested on 07515 878476

Now I know you have all been waiting to see what we actually achieved in raising funds – well, we actually achieved just over £2000.00 on a very wet day – yes this could have been more if the weather had been on our side a bit more, but this amount is excellent!!

This will be our final communication this academic year. So with this in mind may I wish you all a very safe, healthy and enjoyable summer holiday. It wouldn't be a letter from me without reference to the weather so here goes..... I pray for some sunshine for all of us and hope the dreary rain disappears for the weeks holls.

keep well, and best regards Debbie

Deborah Lonsdale
