TERM 6

30th June 2021

Dear Parents

We want to thank all our parents who have really helped us out over the last few weeks. I have spoken to many of you and your positive comments have really been encouraging and it makes all the hard work we do really worthwhile

My final request s here for the this Saturday another **Bake Request – the last one I promise.**

But we really do need some support on this...

If you helped us by baking for our last Cake Stall you will remember it was a huge success and sell out!! it was all your fabulous Savoury and Sweet Bakes that made it such a success!! They were just perfect!!

Therefore, I am asking and begging to see if you can make us what you did last time or something different if you prefer.

You can **bring them to school either Thursday 1st or at pick up or Friday 2nd at drop.** Some of you drop at my house which is just perfect too.

This is for one of our stalls - on the **3rd of July called our Cake Hut, at our Open Garden Festival.**

I would like to thank all of you who have already sent in tombola and wine prizes it has been greatly supported with all your contributions!!

Please can you possibly help us a little bit further with some baked or bought cakes.

It would help us really make this event a success x Thank you so much and please let me know if you can help us by text on 07515878476 or personally.

Thank you again we are hoping for some warmer weather this weekend. Come and enjoy yourself for a few hours having a drink and a burger or more.

Best regards Debbie
