As this edition of the magazine, at the beginning of the school year, goes to press, we are very busy in school listening to our pupils.

Our school believes in giving pupils a ‘voice’ so that they learn to become confident citizens with a personal view of the world in which they live. We do this in many ways through our pupil leadership, experts and buddy partner projects—many of which we have written about in previous editions.

Our whole school topic for this year is North America and Canada. So it is with great interest we are following the election campaign in the USA. By the time of reading this we will know who the new president is—as yet unknown.

Each October we have School Council Elections—planned, debated and elected for. The council is made up of a girl and a boy from each year group. Please read our examples of a manifesto from each year group. Who would you vote for?

### **My Manifesto**

**Hello, my name is Ivy-Rose. I live in South Wingfield and I am 7 years old.**

**When I am older I would like to be an animal rescuer.**

**I really like going swimming**

**I am always helpful, and my friends think that I am the most kind and helpful girl that they have ever met.**

**My ideas for improving the school include helping people. If someone falls over in the playground I will help them. I would be a good choice for school councillor because I would help everybody and I will try to get some new playground equipment.**

**Please vote for me, Ivy-Rose.**

**(Year 3)**

### **My Manifesto**

**Hi. My name is Kyla. I am 8 years old and I am in year 4. I live in Ambergate. In my spare time I like to do gymnastics, ice skating and drawing. When I am older I would like to be a gymnast.**

**I think I would be a good school councillor because I have a good brain and lots of good ideas that I would be willing to share with you.**

**Some of the ideas I have are: being able to wear non-uniform on your birthday, have some more school discos and to do more cooking and baking.**

**So...please vote for me!**

**I will be a good school councillor.**

**Thank you.**

### **My Manifesto**

Hi, my name is Oliver but my friends call me Olive. I am 10 years old. I was born on September 22nd 2006. I live with my mum and dad and older brother Charlie. I have fifty fish!

My hobbies are playing the drums, rugby, Pokémon Go and playing on my Xbox. When I am older I want to be a famous drumming star.

My favourite subjects are gardening with Mr Orridge (because you get dirty), ICT and maths (because I am good at it).

My ideas for improving the school are: we should get some new stilts and scooter boards and have more blue spinning cones for the playground.

I would be an excellent school councillor because I am a brilliant listener. I am also helpful and playful.

**PLEASE VOTE FOR ME!**

### **My Manifesto**

Hello, my name is Emma. I live in Holloway. I am 10 years old. I live with my sister, Evie, my brother Callam, my mum and dad, my 2 cats-Tiggy and Tilly, my 2 dogs-Bessie and Rossie and my 6 fish.

My hobbies are cooking, art and gardening. I love cooking recipes from school...especially the apple crumble. I like art-mostly drawing and water colour painting and I like gardening because you get to watch the plants grow.

In school I enjoy cooking and art. Cooking is fun because we try new food and art is fun because we learn new ways to draw and paint. I also like story writing and science.

My ideas for improving the school are to get more books and more chickens or even a school pet. I would like to bring more cooking to school and we could even make a Crich Junior School cook book.

This is my last chance to be a school councillor. I think I would be a good choice because I am sensible but fun and I will listen to what you have to say about improving our school.

**PLEASE VOTE FOR ME!**
