Dear Parents /Carers,

Family Support Coffee morning. Monday

On Monday morning at drop off (8:45am), you are invited to the Coffee morning in our Y5/6 classroom, where you can have a drink and a biscuit and meet our family Support worker, Amy Rickards. The meeting will start as soon as everyone has been served, and normally they last about an hour. However, you can stay as long as you need; it is very informal. The staff will serve you in the porch but will not be in the classroom for the meeting.

Discussions are normally around difficulties with behaviour, sleep, eating, friendships, online issues and dealing with anxiety to name but a few.

Please feel free to drop in to listen, have a chat or ask for further support on any concerns you have for your children. These coffee mornings have proved useful at a number of our cluster schools, providing parents with advice and support with parental concerns.

Sue Wetton- Crich Junior School “Lollipop Lady”

It is with great sadness that I inform you that Sue Wetton, our lollipop lady for nearly half a century, passed away before our Christmas break. As she had only recently retired, we still have children in school who have very fond memories of Mrs Wetton greeting them in the morning and seeing them safely across the busy main road. I am sure there are a lot of parents and even grandparents who have similar fond memories.

Please scroll down.
